

DEMO TRUCK CONSUMER REBATE PROGRAM

PROGRAM GOAL

To drive additional value and excitement at OEM truck dealers for Switch-N-Go demo trucks on their lots, Switch-N-Go is offering a \$1,000 manufacturer's rebate to be applied to the OEM dealer's selling price to benefit the consumer. Additionally, \$250 will be added to the dealership payment to incentivize the truck salesperson.

HOW IT WORKS

1. The OEM dealer will adjust the sell price of the truck down by \$1,000
2. OEM dealers will submit requests for \$1,000 rebates via <https://portal.switchngo.com/1000-rebate/> **the bill of sale must show the \$1,000 rebate listed.**
3. SNG will mail out a check (\$1,250) to the dealership approximately 30 days of receipt of request
